Dear Colleagues,

On behalf of the Organizing Committee, it is our great honor and pleasure to invite you to HBP Surgery Week 2020 & 52nd Annual Congress of the Korean Association of HBP Surgery (HBP Surgery Week 2020), which will be held at Seoul Dragon City Hotel, Korea from July 27 to 29, 2020.

Since 2017, the KAHBPS has successfully held HBP Surgery Week three times. The Annual HBP Surgery Week Congress has quickly become one of the world’s most prestigious and influential HBP surgery platforms and ideal event to catch up on rapidly changing developments, learn about the latest cutting-edge techniques and innovations, and enjoy various opportunities to network with colleagues from all over the world.

Under the slogan, “A Leap from the Foundation to Fine Art,” HBP Surgery Week 2020 will mark a new stage in our history as the fruits of our hard work transcend beyond mere technical skills into a veritable art form. That is why we will concentrate all our efforts into making this congress a most valuable experience for all surgeons, nurses, basic researchers, young investigators, students, and professionals who have a dedicated interest in HBP Surgery research and care.

As our goal is to encourage and grow international collaboration and research, we are sure that this will be a beneficial and unforgettable experience for all participants attending from around the world. And while you are in Korea, we encourage you to discover all the culture and magic that the exciting city of Seoul has to offer.

We look forward to welcoming you in Seoul, Korea!

Ho-Seong Han
President of the Korean Association of HBP Surgery

Hee Chul Yu
Chairman of the Korean Association of HBP Surgery

HBP Surgery Master Class (Post-Congress Visiting Program)

This visiting program for HBP Surgery Week 2020 overseas participants and overseas participants living in Korea aims to build a platform to support current best-practices and surgical skills of Korea’s major centers and come away with a clear view of the state of HBP Surgery today. Learn and update yourself on the A to Z of HBP Surgery in Korea.

Visiting Period: July 30 - 31, 2020
